Dear Ms. Arnold

Thank you for the wonderful donation of £6,602. and additional cheques totaling £169.00. The event you kindly organized was a truly memorable one and it was a real privilege for the Hospice to be associated with such an event. Please thank your wonderful artists and all other people who made this wonderful donation possible.

As you know we are a local charity providing a hospice at home service for the people of Tynedale, Scots Gap and Ponteland with a life limiting illness. All care provided is free to patients and their families.

Our qualified nurses visit people at home to provide nursing care and support to the patient and family, day or night, and last year we provided 6,500 hours of nursing care. We have trained therapists who provide aromatherapy or reflexology to any patients who would benefit. Our volunteers drive patients to hospital appointments or to the Marie Curie Day Hospice or they can offer practical help in the home and garden. Our charity shop (also staffed by volunteers) generates much needed income to help us with our work.

Thank you once again for supporting us it will help us to continue our valuable work. Our receipt is enclosed.

Yours sincerely,

Christine Mitchell
